PROFESSIONAL EXPERIENCE

Branch Operations Manager | Access Bank PLC, Nigeria | Mar 2013 - Feb 2020

- Led branch operations and service activities in a high-volume banking environment while maintaining compliance with internal controls, audit standards and regulatory procedures.
- Supervised and supported a 20+ member team across teller, customer service and operational functions to improve service delivery, workflow discipline and customer experience.
- Reviewed transactions, cash activities, operational reports and documentation to ensure accuracy, risk control and timely issue resolution.
- Achieved strong audit and compliance outcomes by enforcing procedures, protecting confidential customer information and escalating exceptions appropriately.

- Resolved complex customer issues professionally, strengthening service trust, retention and first-contact resolution.

Senior Cash & Customer Service Officer | Zenith Bank PLC, Nigeria | Nov 2006 - Jul 2011

- Managed daily cash and customer service transactions with high accuracy, supporting reconciliations, record keeping and internal control requirements.
- Handled customer inquiries, complaints and transaction-related issues while maintaining professionalism, confidentiality and service quality.
- Supported operational reporting, documentation and end-of-day balancing within a fast-paced financial services environment.

SELECTED DIGITAL PROJECTS

Personal Portfolio Website - Built a responsive portfolio using HTML, CSS, Tailwind CSS and Git/GitHub to present professional profile, projects and career growth.

Business Landing Page Projects - Developed responsive web pages with modern layouts, navigation, cards, forms and mobile-first styling using Tailwind CSS and Vanilla CSS.

AI-assisted Content & Workflow Projects - Applied prompt engineering and AI tools to support writing, planning, website ideation and productivity workflows.

Current JavaScript Practice - Strengthening programming logic, DOM concepts, user interactions and interactive website behavior.
